Featuring Davenport Occupational Therapy students

On the road with the Creative Cube

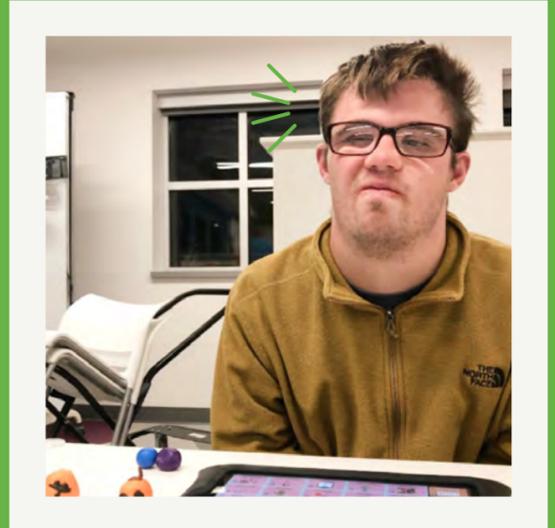

We were thrilled to put the Creative Cube back on the road this year! Our accessible 40-foot-long bright yellow race trailer, the Creative Cube is a beacon of accessibility and creativity.

A Look Inside a Week of ACT Classes

Sebastian Craigie has become a "regular" at ACT: We see him on Mondays for the Ukulele Club & ACTion Drummers, on Tuesdays for Signing through Movement & Polymer Clay Creations, and Thursdays for ACTion Choir.

We Need Your Support!

As we reflect on 2022 and look to close out the year strong, we're asking our community for continued support. We hope you will consider a donation to allow ACT to keep creating moments for people with disabilities in our community.

NEW Creative Wellness: Fall Field Trips

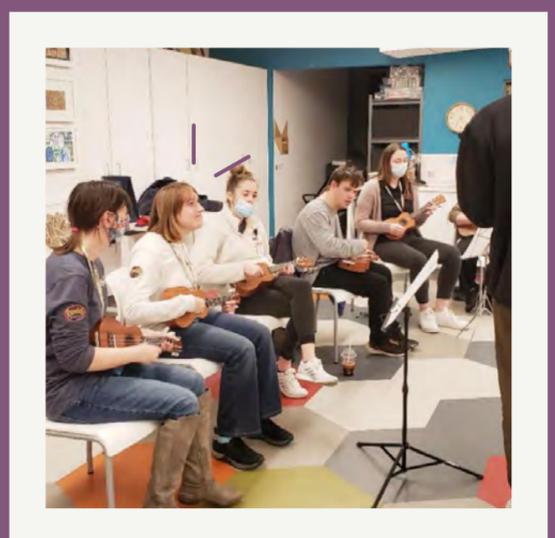

Students from Grand Rapids, Kentwood, Rockford, and Wyoming joined us this fall at the ACT studio! With a focus on our rooftop garden, each group engaged in a two-hour field trip filled with creative movement, visual arts, culinary arts, and gardening.

Impact Volunteers

Five Davenport Occupational Therapy students spent their fall immersed in a variety of ACT programs serving students of all ages and abilities.
